## INSTRUMENT CARE

*Good Mark Ind* have a “Life” guarantee. We will replace or repair any instrument that has manufacturer defects in workmanship and/or materials. The warranty does not apply to normal wear and tear on the instrument.

Improper care of hand held instruments may result in unsatisfactory performance. Instruments should be used for their intended purpose exclusively. Misuse of instruments may result in damage that is not repairable. Failure of intended use will void the “Life” warranty.

*Good Mark Ind* are made from the highest quality stainless steels and plastics. However, certain chemicals can be corrosive to stainless steel. In order to prevent corrosion, staining or rusting, instruments must be treated and cleaned properly. Instruments should be thoroughly dried prior to storage.<sup>1,2</sup>

## INSTRUMENT REPAIR

Sharpening and reconditioning of instruments is available.

The “Life” warranty does not apply to instruments that have been repaired by other instrument manufacturers or repair facilities.
